BENEFITS OF SPONSORSHIP

THE PROMISE

The extent of benefits you enjoy will vary depending on your level of involvement. Based on past experience with Sponsors and market research, we can promise you the following possibilities:

1. One-on-one interaction with your target market
2. Brand awareness and media exposure
3. Better customer engagement and loyalty
4. Great ROI

You'll receive plenty of opportunities to get your name and your story out during the 11th Annual Called To Wealth International Summit.

Whatever amount you choose, think about how much you're getting for your investment. Your sponsorship will be dedicated to reaching your target audience, and you can be sure that every cent of your sponsorship money will result in a higher return on investment than any ad on TV or print could ever offer to you. Not only that but most importantly you will be partnering with God. As this summit is designed as a vehicle for God's children to receive a greater revelation of how to reclaim, manage and multiply the wealth the Father has given through Christ Jesus.

This event facilitates an innovative environment for Believers to have access to the technology, insights and tools to fulfill their Kingdom assignment.
